

My Thank You Prayer

When you pray, you are talking to God. Some Catholic Christians ask him for help, to look after loved ones or for something else. Today, you are going to write a prayer to God thanking him. What would you like to thank God for? When you have finished, draw a picture underneath your prayer and colour it in.

Dear God,

Amen.

A large, empty rectangular box with rounded corners, intended for drawing a picture related to the prayer. It occupies the bottom half of the page.
