

Profiling Pupil Feedback: October 2018

Primary 4-7 took part in a survey to evaluate our approaches to profiling. They were asked to score out of 6 if they agreed with the following statements.

The results are as follows:

- 3. Everyone in our school has opportunities to be able to develop a variety of different interests, talents and learn new skills. [5.13](#)**
- 4. Everyone in our school can take part in a group, club, team or activity beyond normal class time if they want to. [5.26](#)**
- 5. Our school keeps accurate records of pupil participation and achievements and helps us to recognise their importance of these. [4.85](#)**
- 6. At all stages of school we have good opportunities to take responsibility through organising and leading activities. [5.13](#)**
- 7. We can talk confidently about the skills we are gaining as a result of leading and organising aspects of school life. [4.91](#)**
- 8. We are getting better at knowing when our skills are improving and being able to talk about this. [5](#)**
- 9. We have a good way of recording our knowledge and skills and this shows how we are building on the skills we have developed. [5.3](#)**
- 10. Our school knows and is interested in building on the skills we are learning out of school. [4.96](#)**
- 11. Our achievements are recognised, valued and celebrated by our school and community through a range of ways which help build our self-esteem and confidence. [5.09](#)**
