

For book week the nursery listened to stories that the adults in the nursery enjoy. "The Elves and the Shoemaker" "Bears and the Fireworks" "Little Blue Car" and "Where the Wild Things Are". These were all books that we had not heard before and enjoyed all of them.

Please continue to send us pictures of your children reading in unusual places.

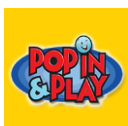

PEEP

Mrs Ness runs a Peep group for Nursery children on a Wednesday afternoon. Peep groups are for parents/carers and their children, and aim to support families with their children's early learning in an enjoyable way. Please come along to PUSCPS on Wednesdays from 12.30 – 1.30. First there is an informal chat for parents then activities with your children.

Pop in & Play

We would like to thank all the parents that were able to come to the Pop in and Play sessions. The children love to share their learning with family members and we will be having another one next term, so please feel free to bring Aunty or Granny as it is fun for the children to have you visit.

Reminders

- **Outdoor Equipment**

For health and safety reasons, please don't let your children play on the outdoor equipment on their way to and from nursery.

- **Snack money**

A gentle reminder that snack costs £1.50 per week and this can be paid at the school office or on iPay.

- **Clothing**

Please ensure that all clothes are labelled, so we can correctly return items to their owner. Also, at nursery we are out in all weathers. Please ensure that your child comes to nursery with warm clothing. We have a stock of waterproof clothing that we can offer children access.
