

We have been learning about Spring. We have been planting flowers and seeds in our garden in the hope we will attract bees and butterflies and we are able to observe them in the nursery garden. We have had visits from the P1 chicks and have talked about how baby animals are born and grow in the spring. We will be going on a spring walk soon to look for all the other beautiful signs we can see.

Art work

There are boxes in the cloakroom where you can pick up your children's art work and models.

Magale Fundraising

PUSCPS sponsor a primary school in Magale. The money is used to support children's learning and provide equipment for the school. This week the school are raising funds by having a dress down day and film day.

This week we are going to join the school children. We would appreciate if you can afford a £1 donation and on Thursday afternoon and Friday morning we will be having a pyjama and film day with the nursery children.

Please come in your pyjamas or onesie!

We will finish up for school holidays on Friday 5th April and all return on Tuesday 23rd April.

Happy Holidays from PUSCPS Nursery.
