

# PUSCPS – LEARNING OVERVIEW

## P2C – Term 4 (April - June)

### The main focus for learning this term will be:

5 weeks- Doctor Doctor Science and Health & Wellbeing

5 weeks- RSHP programme -Inside Out

### Literacy

- Phonics - Active learning with revision of vowel sounds/consonant blends and Common words. A focus on 'compound words' and suffixes such as 'ing' and 'ed'.
- Reading -Pupils will develop summarising and visualisation skills and reading comprehension activities. Grammar will focus on punctuation. Pupils will visit the library regularly to promote reading for enjoyment and they will be encouraged to choose their own silent reading books for short, independent reading.
- Writing -Focussing on presentation and punctuation, pupils will form leaflets/posters, instructions, memories, reviews and diaries. There will also be a focus on using emotions and feelings in writing. Pupils will be given the chance to write in 'freewriting' jotters.
- Handwriting - continuing to develop letter (including capital letters) and number formation.
- Listening and Talking in all subjects, sharing ideas in learning. Pupils will explore story ideas and ask and answers questions around their reading.
- French - ordering months, days, the every day in French.

### Numeracy/Maths

- Active 'Number Talks' developing maths strategies for addition and subtraction
- Maths warm ups: Counting on/back, writing worded sums.
- Area- finding the area of shapes
- Arrays- forming numbers using arrays
- Fractions -Halves and Quarters.
- Weight and Length

### Health and Wellbeing

- Emphasis on school values, 'filling each other's buckets'.
- Rights Respecting Schools linked to United Nations Charter of the Rights of the Child
- Health: Pupils will be learning Medicine use, parts of the body, keeping the body clean, substance misuse, strategies for friendships.
- PE - pupils will be learning techniques from various sports and how to maintain balance

### Interdisciplinary Learning

- Drama- Pupils will be learning to show emotion with facial expression in response to situations
- Music - Pupils will learn to produce rhythm with the body
- Art & Design- Pupils will have the chance to share their work with others and to give an emotional response to the work of artists and peers,
- Social Studies- Scottish seasonal food, Needs and wants.

### Discrete subjects
