

Visit My Class Feedback: September 2019

What did you find out about your child's learning that you did not already know?

School:

- Class Charters
- Gym days
- That they visit the school library
- Everything, as we have just moved to Scotland
- Homework
- Good to know what happens on different days
- Topics my child is learning about
- Sumdog
- IDL
- My daughter has a job/ role in school
- New behaviour techniques
- What happens each term
- How to support maths at home
- Very useful information
- Reading
- WAGOLL Wall
- Nice to be reminded

Nursery:

- Routines
- Tooth brushing
- Curriculum
- Learning through play
- Structure of the day
- It's the second year so I knew about the routine but I'm pleased how nursery encourages independence from the start and helps the children and parents. Very approachable staff and knowledgeable.

What other information would you like us to provide during Visit My Class sessions?

You asked?	We answered ...
A little personalisation about your child.	There will be opportunities for this at parents night and Families Learning Together and Sharing the Learning Events.
Do they have school photographs taken to buy?	Yes, Tempest Photography do this once a year. Look out for the date.
Positive reinforcement examples.	Have a look at our Positive Relationships at PUSCPS .
School Trips and how we can help.	Collect a PVG form from the office. Once this is complete we can add you to our list of parent helpers.
How do we teach Maths?	Have a look at our Maths & Numeracy section on the blog .

In what other ways can we support you to support your child at home?

You suggested?	We answered ...
I would like to know what topics they cover in advance.	Have a look at our termly learning overviews .
Lots of questions about homework.	This was discussed at the Parent Partner Meeting and a new approach will be tried out in Term 2.
