

Happy New Year!

We would like to welcome back all the children and parents. We hope you had an excellent holiday and are ready to start a new term. This month we are looking at all things Scottish and learning Scottish words and songs.

Big Bedtime Read

We are continuing with the Big Bedtime Read library so please choose a book at the end of the Am session or beginning of the PM session on a Tuesday or Thursday.

Blog

Please visit our section on the school blog to keep up to date with learning in the nursery.

Information/ Reminders

- We are outdoors in all weather in our nursery. Please bring jackets and wellies (if possible). We also have some spare outdoor clothing.
- Children should not play on the outdoor equipment on their way into and out of nursery for health and safety reasons. Please ensure that the adults open the nursery gate when entering and leaving the nursery.
- Unless children require a transition time we request that they refrain from bringing their own toys to nursery, if they are lost or broken this can cause distress.
- We would request that families please adhere to our pick up times in order for our nursery to run smoothly. AM Session - 8.00 – 12.45 and PM session 1.15 – 6pm.
- A reminder that there is now no charge for nursery snack.
- Please check all the information in the personal plans and return the form signed on the front cover ASAP please.
- Runny noses: It is coming to the time of year when the children have runny little noses. We would appreciate any donations of boxes of tissues.
- Carrier Bags: If you could spare us any carrier bags for wet clothes etc. we would be very grateful.
