ACROSS Learning

Play Sumdog to sharpen your mental maths strategies. Look out for challenges set for you. 	Watch a film and write a review for your class mates.	Do something kind for someone, no matter how small.	Research one aspect of the Arctic or Antarctica you are interested in and choose how you share the information.
Practise multiplication tables of your choice. Remember to practise division as well as multiplication.	Install the Duolingo free app on a device (phone, ipad etc) and try out some French or Spanish. 	Help someone at home with a task like hoovering, doing the dishes or help put the shopping away.	Find examples of real graphs, charts, tables or pie charts, e.g. in newspapers/magazines/food packaging. Share them with the class to interpret/evaluate.
Try some problems on the Bedtime Maths App. 	Continue filling in your passport for the First Minister's Reading Challenge.	Log in to Didbook and ensure your profile is completed/add any additional information.	Look at our learning on our school blog and leave a comment. 

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your teacher tonight, what would they tell me about you?
5. How did you help somebody today?
6. Tell me one thing that you learned today.
7. Tell me about three different times you used your pencil today at school.
8. What was the most popular game at break/lunch time?

Sharing your homework:

- Use your homework jotter.
- Ask an adult to tweet the school a photo to @PUSCPS or email a photo to wlpuspcs@westlothian.org.uk
- P5-7 can upload to their Didbook Enrichment Diary.
