

This is an overview of all P1 learning. These experiences may be differentiated to support and challenge each child.

The main focus for learning this term will be: ‘All About Me’

Literacy

Listening and Talking

- Listening games – same / different
- Turn-taking through games
- Making eye-contact with talking partners
- Sharing ideas and thoughts across learning
- Identifying sounds in words

Writing

- Mark-making in play using different materials
- Mark-making alongside pictures to label or tell stories
- Beginning to form taught letters
- Writing some common words
- Begin to attempt some words

Reading

- Joining in and sharing ideas about stories
- Beginning to recognise lower-case letters and their sound
- Blending 2/3 sounds to read short words
- Reading common words
- Tracking from left to right
- Recognising word boundaries and spaces
- Making predictions about stories from picture clues

Numeracy and Maths

- **Number:** Recognising, sequencing and beginning to write numbers to 10 or 20 / counting objects accurately using one to one correspondence/ counting forwards and backwards, adding one more
- Exploring number patterns e.g. dice patterns, making quantities
- **Data Handling:** Making pictograms and graphs, sorting objects into categories

Health and Wellbeing

- Creating a class community - developing an understanding of some children’s rights and how we can contribute to creating a good learning environment.

P.E

- Developing hand and eye coordination skills and controlling our bodies as we move in different ways

Interdisciplinary Learning

All About Me

- Health and Wellbeing – Keeping myself healthy, things I like (toys, foods, activities), my feelings, families
- Science – Exploring the senses, growing
- Maths – Gathering data (eye colour, hair colouring) and recording it in different ways

Other Subjects

Expressive Arts

- **Art:** exploring different materials to create pictures using my imagination and experiences in other learning
- **Drama:** Acting out stories

Technologies

- Using digital devices safely and to support learning, talking about why we use password and passcodes ,

PUSCPS – LEARNING OVERVIEW

P1– Term 1 (August-October 2021)
