

Name: _____

Primary 6 Term 2

Home Learning Choice Board

My interdisciplinary context for learning is the Space and the Solar System.

Use the choices below to decide what home learning tasks you would like your child to take part in. It is up to families as to how many activities they complete. Please date if completed.

We will have reading homework to be completed.

Numeracy

Literacy

Health & Wellbeing

Across Learning

<p>Write the value of the highlighted digit in each number. For example: 4,083 = 8 tens/80</p> <ol style="list-style-type: none"> 1. 1345 2. 3739 3. 74903 4. 26839 5. 390479 6. 268080 7. 2678379 8. 1578269 <p>You can create your own for someone else.</p>	<p>Create a comic book strip of your personal reading book. You can choose your favourite part of the book or sequence the story from beginning to end.</p>	<p>Find out how to read clothes labels for washing or ironing instructions to help someone at home.</p>	<p>Record the moon shape for 30 days. You can use the template attached to Teams as a guide.</p>
<p>Create a multiplication board game or game of snap to help you remember your tables in a randomised order. Play with someone at home to see who is the quickest.</p>	<p>Book Detective Challenge – Find 5 adjectives in a book and use a thesaurus online to find 3 words that mean the same.</p>	<p>Get your heart racing by doing at least 10 minutes of exercise every day. Try skipping, football, dancing, walking up and down stairs... even cleaning works up a sweat!</p>	<p>Write or type a letter to a World Leader about climate change and global warming. Pick a current issue relating to global warming or climate change to discuss.</p>
<p>Use a catalogue or online to pick 10 things that you would like for Christmas. Can you add up the value of your chosen items to help someone at home with the total cost? You may wish to complete this for your siblings, parents or a friend too.</p>	<p>Read for enjoyment for 15 minutes a day (you can do longer if you wish). If you come across a word you are unsure of, write it down and become a dictionary detective just like in class.</p>	<p>Bake your own space themed biscuits or cookies. They could be in the shape of a star, rocket or planet. You could even include popping candy as space rocks. Upload the recipe so we can all have try. Post your treats onto Teams.</p>	<p>Create a piece of artwork showing your knowledge of Space and the Solar System. This can be made from natural materials, art materials from home or a drawing. You can show this in any way you like.</p>

Ask me

1. What was the best thing that happened at school today?
2. Tell me something that made you laugh today.
3. Tell me a new word that you heard today.
4. If I called your teacher tonight, what would they tell me about you?
5. How did you help somebody today?
6. Tell me one thing that you learned today.
7. Tell me about three different times you used your pencil today at school.
8. What was the most popular game at break/lunch time?

Sharing your homework:

- Use your homework jotter.
- Ask an adult to tweet the school a photo to @PUSCPS or email a photo to wlpuspcs@westlothian.org.uk
- You can upload your work to Microsoft Teams.
