Chapter 14 - Inference

L.I. I am using looking for evidence in the text that infers that Matilda has magical powers.

S.C.

* I can read Chapter 14 looking for evidence that shows that Matilda has magical powers.

* I can write the phrases using quotation marks.

* I can write the page numbers where I found the quotes.

e.g. "...there began to creep over Matilda a most extraordinary and peculiar feeling."
Page. 158

This infers that Matilda has magical powers because she is experiencing a feeling that she has not had before and cannot really explain.
