

Notes to remember:

- We are adding ligatures to all appropriate letters.
- We can join letters together by extending the ligatures.
- We are sloping our letters.
- We are making our letters smaller now.
- Capital letters have no ligature.

Warm-up: practise your slope, size and shape.

u u u

y y y

yyy

Practise joining 'y' with vowels. Remember to link the 'y' from the base of the tail by looping up to join with the next letter.

ya

ye

yi

yo

yu

Now copy this sentence.

"Yes!" yelled the yellow-eyed penguin  
when buying a really fancy house.
