

Success Criteria

- Re read chapters 6.
- Find the words listed below on the page numbers given.
- Use the metalinguistic strategies to work out the meaning of these words.
- Once you have written down what you think each word means, check its meaning in a dictionary. Remember that some words have more than one definition, so you need to select the **most appropriate** meaning for the word **in the context** of the text you are reading.
- Copy down the **most appropriate** definition of the word into your jotter.
- Remember to use the correct spelling, punctuation and neat handwriting and presentation at all times.

Find these unfamiliar words from Chapter 5:

- | | | |
|----------------------|-------------------------|---|
| 1. Congress (pg. 53) | 2. integration (pg. 54) | 3. several (pg. 57) |
| 4. mourned (pg. 58) | 5. Honour (pg. 59) | 6. Remarkable (pg. 59) 8. Triumph (pg. 59) |

Present your work like this

Word	Strategy used
Congress	D - a large formal meeting of representatives from countries or societies at which ideas are discussed and information is exchanged. In context - congress in America is made up of the different political parties to discuss information with the president.

Metalinguistic strategies:

- | | | |
|-------------------------|-------------------------|----------------------|
| R.B. - Read Back | R.F. - Read Forward | F.W. - Familiar Word |
| P.D. Partner discussion | T.D. Teacher Discussion | D - Dictionary |

(you may need to use more than one strategy)

Challenge - Click on Tom Fletchers picture on the PowerPoint for a very special and important video.
