

St. Columba's Nursery

Week Beginning 5th March 2018

Nurturing Little Minds

Headteacher: Miss Fiona Smyth

Newlands Day

There will be a meeting for anyone wishing to join the Newlands Day Committee on Thursday 8th at 6pm. The meeting will be chaired by Mrs Thomson. Looking forward to all your superhero ideas!

Headlice

I have a growing number of parents concerned about the amount of headlice their child is getting. Please click on the link if you are unsure of how to treat them and please check your child's hair.

Dressing for the weather

Please ensure children are appropriately dressed for the outdoors, hat, scarves and gloves and wellies or boots. And of course label everything!

On Tuesday 27th Miss Smyth visited the EQAC committee they were enthusiastic about the changes in the school and nursery over the past year and look forward to hearing more about our successes. Thank you to each and every one of you who have contributed to the changes over the past year. I am excited about the continuous improvement journey we are on!

I will be in touch this week to update you on the outdoor learning experience being offered through Learning through Landscapes. Mrs Sommerville has jumped at the chance to lead on this project. She will keep you up to date with any information to be shared.

World Book Day

Due to the adverse weather we have rescheduled World Book Day to Wednesday 7th March.
