15<sup>th</sup> May: Wear your school uniform- send your pics in on teams or to [wlstcolumbas\\_ps@westlothian.org.uk](mailto:wlstcolumbas_ps@westlothian.org.uk)

### Leader in Me

This week the focus is on Habit 2: Begin with the end in mind. Set yourself a goal to achieve something each day, it doesn't have to be big, just something manageable. For today my goal is to stick to my plan! To not be distracted, and focus- easier said than done!

### New P1 Children

This week we have posted letters to all our new P1 children. We will also be sending them a weekly email with information and videos to let them know all about joining St Columba's Primary. If you know of someone joining St Columba's tell them to check their email account to access lots of information about us!

### Access our app

Mr Tennant has daily PE challenges which he would love more of you to complete. Follow @ WLPENetwork on twitter for the daily challenges!

Our school app has been vital for our communication while we are all learning @ home. If you haven't already downloaded the app follow the instructions below. Anyone in your family can follow the app so feel free to share with your relatives.

### SALT

We are really lucky and have a speech and language therapist assigned to our school. Aimee works with our staff teams to upskill us all in different areas to support your children. They have recently launched their FaceBook page which is full of ideas to support families. The link below should link you directly to them. They will be posting throughout the week beginning 18<sup>th</sup> May.
