ST COLUMBA'S PRIMARY SCHOOL

P1 Transition Newsletter 1

In this issue:

- A message from our Head Teacher Miss Smyh
- Communication methods
-

Welcome to St Columba's Primary School

Welcome to St Columba's Primary School. We are delighted to welcome you to our school and are looking forward to working with you and your child and getting to know you better.

Due to the current situation we are unable to hold the transition events that we would normally have.

However, we would like to prepare your child for coming to St Columba's Primary School in August.

Each week we will send an email containing information about our school and the school day.

We pride ourselves on strong communication with our parents and families and communicate in range of ways

School App

Our School App is the most popular method of communication. The app is used to communicate important and relevant information to our parents. We would recommend that you download the app, so not to miss out on any important information. Please see instructions to download and use the app. (attached)

Twitter @stcolumba2016

To keep up to date with events and achievements at St Columba's you can also follow us on Twitter

Email

If you need to get in touch with the school or have a question or query please use the email address below

wlstcolumbas-ps@westlothian.org.uk-ps

School Blog

Our school blog provides a 'one stop shop' for parents to access all information about the school and to stay informed about school events, school progress and achievements.
