

St Columba's Primary school
Headteacher Headlines
Week beginning 17th August 2020

Thank you to everyone in our school community for your support as we transition back into the school building. We will continue to review our procedures and update you if and when necessary. Please continue to be mindful of social distancing guidelines. We will continue to remind you of these, particularly for the end of the day.

Think of all your experiences as a huge tapestry that can be laid out in whatever pattern you wish. Each day you add a new thread to the weaving. Do you craft a curtain to hide behind, or do you fashion a magic carpet that will carry you to unequalled heights?

Mr Tennant joins us this session on a Monday and Tuesday. PE will be mainly outside. On PE days children should come to school in sports clothing, suitable for outside.

Primary School Flu Vaccination

Consent packs are out now for flu vaccination for pupils in P1-P7

The flu nasal spray vaccine for primary school children helps to protect against flu. Flu is a virus; it spreads quickly and can infect children and adults very easily, causing an unpleasant illness which can be serious.

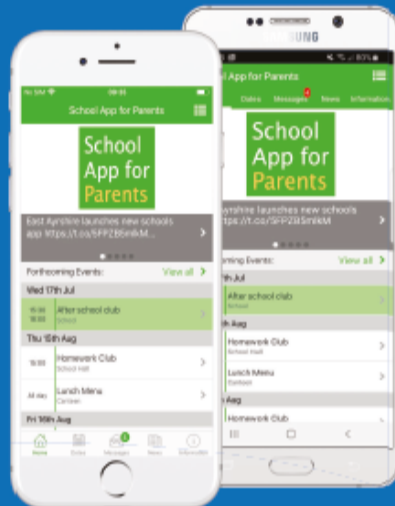

When you receive a consent form pack please complete and sign the consent form and return it to school as soon as possible.

More information about the programme can be found using the following link to the flu vaccination section on the NHS Inform Website
