

In Primary 2 this term we are focusing on:

Literacy

- Identifying that speech bubbles show when someone is speaking
- Nouns, verbs and adjectives in a piece of text
- Using joining words in a sentence
- Using a dictionary
- Recognising and beginning to understand simple Scots vocabulary

Numeracy

- Subtraction within 20 and beyond
- Money - totalling and finding change from 20p and beyond
- Telling the time to half past the hour
- Finding half and quarter of a shape and number
- Estimating and measuring capacity in litres and $\frac{1}{2}$ litres, length in metres and $\frac{1}{2}$ metres and weight in kg and $\frac{1}{2}$ kg

Health and Wellbeing

- Safety in the home
- Emergency Services
- Fairtrade
- Taking care of a baby
- Farming
- Global Goals
- Children's Rights

Developing our skills for life, learning and work

- Looking at different types of farming in Scotland and the journey food makes from farm to fork
- The role we as individuals can make to the delivery of Global Goals
- Creating 3D structures
- Learning about the role of the Emergency Services

Developing our Faith

- The role of the Holy Spirit
- The Sacrament of Baptism
- The Feast of The Annunciation
- Ash Wednesday
- Lent
- The Easter story
