

In Primary 6 this term we are focussing on

### Literacy

- To structure sentences correctly.
- To demonstrate active listening.
- To make use of the 6 thinking hats.
- To read and write narrative texts.

### Numeracy

- To develop understanding and knowledge of place value.
- To understand the importance of a budget and managing money.
- To estimate how long a journey should take and cost.

### Health and Wellbeing

- To show an understanding of the importance of mental wellbeing
- To show an awareness of and ability to express feelings.
- To work with peers to build and create a positive class ethos.

### Developing our skills for life, learning and work

- To use multi-modal including digital resources to conduct research.
- Use skills of innovation to create designs and solve problems
- To create 3D structures from multiple materials.

### Developing our Faith

- Create a class altar and review the liturgical calendar.
- To know the prayers learned from p1 to p5 and pray them regularly by heart.
- PFFA
