

Winter Weather Learning Links

In the event of winter weather so severe that school is closed, here are some web links that will provide a breadth of learning opportunities for your child in addition to the task sheets already available on Toronto's Glow page.

central.espresso.co.uk

Espresso is an educational service that we pay for as a school. It's full of information, resources and media to help your child learn. Log in with the details below:

Username: student21981
Password: TorontoPS

www.bbc.co.uk/education

Ability-appropriate activities and resources for Scottish Primary children.

www.topmarks.co.uk

Free Educational games.

www.arcademics.com

Maths and Language based educational games (multiplayer options available).

www.ngkids.co.uk

Full of information and games about animals, science, nature, history and places.

www.thinkuknow.co.uk

Interactive learning and games about internet and technology safety. There are separate sections for 5-7, 8-10 and 11-13 year olds as well as Parents/Carers.
