

A Handful of Love

By D. Conway

It was my first day of school,
And now that it's done.

I can't wait to tell you,
About everything new and fun!

We read a book called, *The Kissing Hand*

About Chester, a sweet raccoon.

He went to school up in a tree,
Beneath the shining moon.

Chester was scared and a little shy,

Until his mom kissed his hand.

It sent the love right up his arm,
Towards his heart for it to land.

Just like Chester, I was brave
Because of love from you.

I made this gift so I can show,
Just how much I love you, too!
