

Topic

This term we are learning about:

Famous Scots

Choose one famous scot, either from the past or present day and research how their work/ life has impacted upon life today.

Numeracy

We are learning to multiply and divide.

- * practice your 5 times table,
- * visit [topmarks](https://www.topmarks.co.uk) and play the 'hit the button' game – practice halving numbers (remember that is the same as dividing by 2)

Reading

- Practice your reading book at home,
- Practice reading, writing and spelling your common words – if you have these at home with you,

Visit the World Book Day Website!
There are some great activities.

Snow Day Activities!

Helping at Home

Can you help an adult at home clear a safe path to get to your house? Take a photograph of you helping out – it would be great to see some on our Twitter page!

Wildlife Watch!

Can you spot any signs of wildlife in your garden? Maybe you could put out some food for the birds to help them in the cold weather!

Look out for their tiny footprints in the snow. Draw pictures or take photographs of what you spot! Miss Mack has some to share with you when we return to school!

The Most Important Activity!

Have great fun and STAY SAFE!

If you are heading out to play in the snow or build a snowman wrap up warm and don't stay out for too long! Keep cosy everyone!
