Prefixes

Look through the power point on prefixes,
Take your time so that you understand why we use prefixes
and how they change the spelling and meaning of words.

How well do you feel you understand prefixes?

Activity

Copy and complete in your red/orange jotter.

Please look on the next page.

Prefixes

There are many prefixes, but these are four of the most useful ones.

Choose a prefix to go in front of each of the base words, and write it on the line. Then see how the meaning of the words and sentences has changed.

It was _____ possible to walk along the path.

 I really _____ like writing stories in school.

Dad _____ packed the large suitcases.

Jason _____ understood what he had to do. 

Choose a prefix to go in front of each of the base words in the fish bodies, and write it on the line in the fish's head.

You can use a dictionary to check whether you have chosen the right prefixes.
