4. Outside the window, you see something you can't believe!
5. 10 years from now I will be.....
6. Write about your biggest fear.
7. If you could travel back in time, where would you go?
8. Describe the life of your favourite singer.
9. You have 1 million pounds in your bank account, how did you earn it?
10. You are an astronaut and have discovered a new planet, describe what you see.

Free Reading

Choose a book from <https://home.oxfordowl.co.uk/books/free-ebooks/> You will need to register but the ebooks are free!

- Make a prediction from the front cover about what you think the book is about.
- Read the blurb – were you correct?
- Begin reading and enjoy!

Problem Solving

Activity: Let it Fly

Watch Act 1: <https://gfletchy.com/let-it-fly/>

In your blue Numeracy jotter write down:

- How far did the disc travel?
- Write down your estimate,
- Write down an estimate that you know is too high/ an estimate that you know is too low.

Watch Act 2: <https://vimeo.com/138650050>

How far did the disc land from the hole?

Write down your estimate,

Now write down an estimate that you know is too high/ an estimate that you know is too low.

Watch Act 3: <https://vimeo.com/138653078>

Check the answer against your estimates 😊
