

# Weather Art

## Activity 1

### You will need:

- A medium sized twig,
- White card or paper,
- Coloured pens, pencils or paint
- String/ thread

### Method

Firstly draw 5 different weather types on your white card or paper,

Cut them out and put a little hole with a pencil in the top of each weather symbol,

Put a piece of thread through the top of each weather symbol and then begin to assemble your mobile,

Below is an idea of the finished mobile so that you can see how you might place your weather symbols,

**\*This job might take longer than one afternoon!\***

**Post a picture of your completed mobile on TEAMS!**
