

## SECOND LEVEL - Volcano

*L1: I am learning to write and respond imaginatively*

**Story starter! Write at least 3 paragraphs to finish the story.**

It was the moment they had been dreading for decades: the volcano had finally erupted. The earth shook, as torrents of golden death cascaded over the helpless landscape. Clouds of ash swarmed over the countryside, enveloping everything in their path. Chaos reigned as the beast that had been sleeping for years, now awoken, smote his fury upon the world. In the distance a flash of silvery lightning licked across the sky: a snake's forked tongue lashing out in fury to strike its prey. The world was on fire. It was nature's turn to take its revenge.

*Can you write your own description/short story about the volcanic eruption?  
Can you include personification and metaphors?*

**Question time! Answer in full sentences in your jotter**

1. What do you think it means by 'nature taking its revenge'?
2. What do you think is the most dangerous part of a volcano?
3. Do you know of any active volcanoes around the world?
4. Do you know what causes a volcano to erupt?

### Extra Challenges

#### **Perfect picture!**

Can you draw your own volcanic eruption? Label it with some adjectives or even sentences to describe what is happening.

#### **Sick sentences!**

These sentences are sick, and need help to get better. Can you improve them?

1. Lava went over the ground. There was lightning in the sky. It was a scary sight.
