

Practising small letters

Name _____ Date _____

i l t

Write each of the letters on the three lines below.
Start at the ☆.

Handwriting practice lines for the letters *i*, *l*, and *t*. Each letter is shown once on a set of three lines (top dashed, middle solid, bottom dashed) with a small star (☆) at the starting point on the middle line. Below each lettered line are two more blank sets of three lines for independent practice.

Now practise writing the three letters again by writing over the grey letters in each of the words below.

Handwriting practice lines for words containing the letters *i*, *l*, and *t*. Each word is written twice on a set of three lines, with the first instance in grey for tracing. The words are: *ill*, *bill*, *will*, *fall*, *bell*, *milk*, and *laugh*.

How did you do?

Brilliant!

OK

I need another try.
