Join in as we sing... Welcome Everybody

Here we are together, now we can begin
The youngest and the oldest,
the only child, the twin
Some where feeling left out and some where feeling in

Gathering in this place
Welcome everybody, its good to see you here
Welcome everybody, its good to see you here
Welcome everybody, its good to see you here

Gathering in this place
Here we are together, joining in this song
Even those who feel that their singings not that strong
And as we sing may every person know that they belong

Gathering in this place
Welcome everybody, its good to see you here
Here we are together, with our hopes and fears
Bringing many feelings, our laughter and our tears
And now its time for everyone to tell the world, WERE HERE!

Hello P3! Oh I have missed you all! I am delighted to see how much hard work you've been doing at home. I love reading your messages and seeing your pictures on Twitter! I thought all your Art work last week was fantastic! I hope you have made time to see our virtual Art Gallery- it's on the blog and Twitter! I have also enjoyed seeing your outdoor learning, in particular all your arrays using natural materials! I have been very impressed with the writing you have sent me- you are really trying hard and making good progress! I am especially impressed with your use of conjunctions and how you are varying your sentence openers! Brilliant! Anyway, take care, stay safe and keep smiling!

A huge well done to everyone in P6H with the effort they have been putting in with their home learning. I am really proud of you all. I've been really impressed with the work being produced and have enjoyed watching the videos being posted into our TEAM. I would particularly like to have a shot of the assault course Lexi has in her garden. I'm not sure I would be able to complete as well as her though! Mrs Hunter
