

Singular or Plural Sort

Oh dear! Professor Punctuation has dropped her word cards on the floor and now they have become mixed up! The words all contained examples of the possessive apostrophe. However, some are singular nouns with apostrophes and some are plural nouns with apostrophes. Can you sort them into two groups in the table below to help her?

Singular	Plural

Challenge

Well done for completing the activity! Now write a sentence of your own using one of the plural nouns with a possessive apostrophe.
