

Emotion Works

Week 2

This is the
green cog.

It helps us to think about *what we do to show our emotions using our faces, bodies, actions and words.*

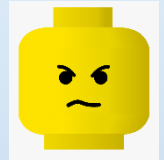

Watch

- <https://www.youtube.com/watch?v=Ih0iu80u04Y&t=68s>

Think

- Last week you did some work about all the emotions you have felt lately.
- We all show our emotions in different ways, for example when Mrs Kinnear is grumpy she can be a bit snappy with eyebrows that look like this:

- How does the monster show his emotions when he feels;

SAD?

HAPPY?

ANGRY?

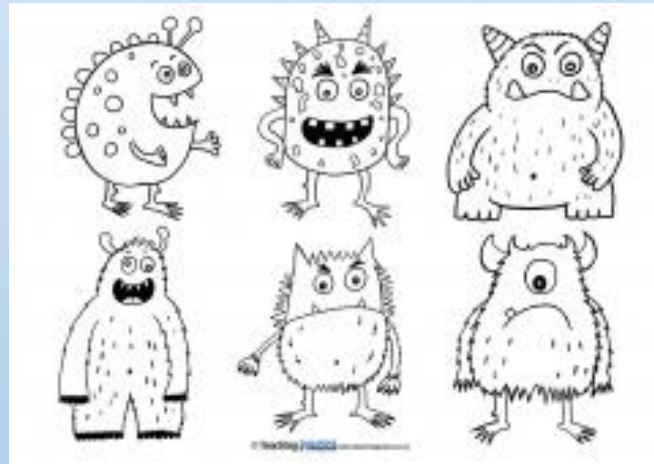

FEARFUL?

CALM?

How do you show these emotions? Think about your facial expressions and behaviour and share them with a grown up!

Create

- Create your own Colour Monster
- You can pick one or more of the emotions to make your own. Remember to label your picture with the emotion your monsters shows.

- Challenge! *Can you write a short story about how your character behaves?*

Share

- If you would like to share your Colour Monsters we would love to see them! Share in your class blog or tweet @TEAMUphallPS
