Feelings

On Monday 8th June
I played football in my
garden with my dad for
20 minutes. I felt happy
because I scored 5 goals!

On Tuesday 9th June
I went for a jog around
the school with my mum
for 20 minutes. I felt
tired because it was hot.

Friday

On Wednesday 10th June
I did some Joe Wicks
exercises in my living room
with my sister for 15
minutes. I felt energised
because it was fun.

On Thursday 11th June
I practised my ballet
positions in my bedroom
alone for half an hour.
I felt relaxed and flexible

On Friday 12th June
I did tried badminton for 10
minutes with my brother. I
felt pleased because I'd
never tried it before.
