

Recognition Board 12.06.20  
Orlagh has shown determination and perseverance when completing activities at home. Her continued effort and progress (with writing in particular) has made me and her family very proud.

Recognition Board 12.06.20  
I am delighted to see that Harris is continuing to take great pride in his learning tasks, showing enthusiasm and doing the very best he can. His Dancing Robot collage inspired by Matisse was a masterpiece! Mrs McKay
