

Uphall Primary School December 2020 Homework Grid

Please complete as many activities as you can. We'd love you to share your work with us via Twitter or by our class Seesaw accounts. Thank you for your support. Miss Anderson, Mrs Bennett-Palmer and Miss Mackay.

<p>Literacy</p> <p>Enjoy reading your lending library book each week.</p> <p>Continue to use the leaflet provided to discuss the books at home.</p> <p>New book – Thursday Bring back to school – Monday</p>	<p>Expressive Arts – Music</p> <p>Learn a Christmas song and perform it to your family. Can you add dance moves and/or instruments to your performance?</p> 	<p>Literacy</p> <p>Continue to practise reading and spelling your ORT key words and FRY's words.</p> <p>Please check school blog, Seesaw or handouts sent home.</p>
<p>Literacy</p> <p>Write a set of instructions to explain how to wrap a present. You could demonstrate how to do this with a family member. Who can wrap the fastest? Whose present is neatly wrapped?</p>  <p>Don't forget, "There's always time for a bow!"</p>	<p>Health and Wellbeing</p> <p>Make a star for the top of your Christmas tree. Not just any star but an achievement star. On your star, write all the positive qualities you have, your talents, skills and achievements (in and out of school).</p> 	<p>Pupil Voice</p> <p>Share with your family what you are learning. How do you know what you are learning, how do you know you will be successful and how do we feedback to each other? Do you have any questions or ideas about learning in class? Please share via Seesaw.</p> 
<p>Numeracy and maths</p> <p>Pretend you own a toy shop. Set out your toys at home or cut out pictures of toys from magazines. Can you make price labels for your toys up to £1? Ask a family member to spend £2 in your shop. How much change will they get?</p> 	<p>Health and Wellbeing</p> <p>Communicate with a friend or family member via letter, phone, Skype, Zoom etc. and catch up. Tell them what you have been up to, what you are looking forward to and what you would like for Christmas. Remember to ask how they are and if they have any news.</p> 	<p>Numeracy and maths</p> <p>Magazine maths</p> <p>Cut and stick numerals e.g. 2 or number words, e.g. 'two' from magazines and show your understanding of number order, doubles and skip counting.</p>
