# An Elfy Christmas Mystery

Christmas Walking Trail

One of Santa's Elves has gone missing with a Christmas present. There are, however, far too many presents to keep track of.

Help Santa by solving the clues to find the Elf and missing present.

The answers are names and dates that you will find as you follow the route.

Solve the clues to eliminate elves and presents. At the end you should be left with one elf and one present.

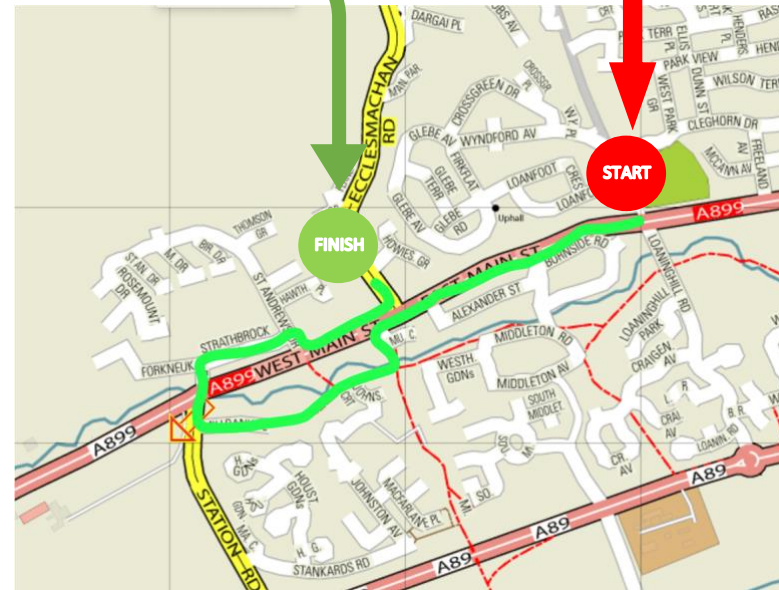

Good Luck

All you need is a pencil or pen!

Congratulations you have finished. You should have ONE ELF and ONE PRESENT that haven't been crossed off.

Email the Elf's name and present to [friendsofuphallprimary@outlook.com](mailto:friendsofuphallprimary@outlook.com)

Start at the traffic lights at Loaninghill Road. Facing towards Uphall start walking towards the main street.

Clue 1 – stop outside the houses just before the Volunteer. Look closely for a date which corresponds to one of the presents

Continue walking and stop just before at the houses just past the volunteer. You will find your first Elf clue carved on the houses.

Clue 2 – Look closely at the buildings you can see and cross of the elf that's name you can see.

Keep walking staying on the main street until you get to the first pedestrian crossing. You'll find your next clue beside you as you stand at the lights.

Clue 3 – Stop at the lights but don't cross. Cross off one of the elf's related to one of the shops close to you.

Use the lights and cross the street, walk up to the pharmacy.

Turn left at the pharmacy, cross the bridge then turn right, continue walking until you arrive at the playpark.

Clue 4 – You might want to stop and have a play, cross off the elf who you think would be playing here too.

Clue 5 – As you enter Millbank lookout to your right for your next present related clue

Once you've finished at the park continue along the path into Millbank. You find your next clue on your right as you enter Millbank.

Continue along Millbank then turn right onto Station Road. Keep your eyes peeled looking for clues on the houses on your right as you walk down the hill. Your next clue will help you eliminate another present.

Clue 6 – Another present to eliminate, look closely at the houses that you pass.

Clue 7 – Keep a look out on your right for the name of an elf who likes to countdown to Christmas.

Cross the main road and walk up the hill towards Forkneuk, turn right at the top of the hill. Your next clue is on your right hand side as you walk towards the Community Centre.

Walk towards the community centre where you will find your next clue.

Continue past the Community Centre and cross the road, turn right and head back to the main street. Stop at the corner.

Clue 9 – This little elf could be working hard close to where you stand.

Walk back towards the shops in the main street keeping the garage on your left. The business after the garages holds your next clue.

Continue down the street and stop outside the post office. Look across the road for your next clue.

Clue 10 – You might spot this little elf as you look in the window of the shop.

Continue to the corner and turn left, walk up Ecclesmachan Road until you reach the Village Information Board.
