Re-watch The Girl with the Yellow Bag at <https://www.literacyshed.com/girlwithyellowbag.html>

Last week you designed your own bag. This week you will create and describe your own setting. The story you watched is set in a street, where will your story be set?

You can choose a picture of a setting (place) and stick it in your jotter or draw your own picture. For example the beach, a forest, a castle etc.

Then think of adjectives, (describing words) to describe your setting. Write at least three short sentences describing the setting.

I see...

I hear...

I feel...

Challenge: Can you use Alliteration in your descriptions - words that start with the same sound - e.g. soft sand.

Remember to write the date: **1-4-20** and Title: **Setting**

Don't forget capital letter, full stop, finger space and read it over to check it makes sense.

Use you sounding out to spell words, give it a go!

Please take a photo of your finished bag and setting and email them to the school to share with others.
