<https://www.youtube.com/watch?v=q0ejt4HquI0>

there, here, eve, complete, Steve

Bubble write your words, use lots of colours to make them stand out

SENTENCES -Write sentences using each of your spelling words. You may use more than one word in a sentence. Remember to underline your spelling words

Play-

Reading

Make a reading flower.

Choose a book to read together each day. Cut out a petal shape and colour red, orange or green depending on how you like the book. Write the name on the book and the author on the petal (the petal will need to be large enough to write on), Then stick it around a centre circle stuck on a piece of paper, If you do not have glue, draw your petals.

Numeracy

Warm up- Watch

<https://www.youtube.com/watch?v=r176jXUwct8> Just to get warmed up, a bit of revision.

Before you start to use large numbers, it is easier if you can quickly recall number bonds up to 20. Choose a number between 11 and 20, write the number in the middle of your page and see how many number bonds you can write around it, use both addition and subtraction. Give yourself a target such as 25 sums! Good Luck!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Select the game Number Bonds, but don't be afraid to challenge yourselves.

Topic- the Senses-Touch

Join in singing to the following song:

<https://www.youtube.com/watch?v=84hv64gLto>

Now watch this video which tells us about the skin and how important it is and helps us with the sense of touch

<https://www.youtube.com/watch?v=yCWclrhsPQ8>

Activity- Draw around your hand and label each finger with a different touch describing word. Now see if you can find objects in your home or garden which feel like your describing words.

P.E.

I am sure you are all exercising everyday with your family. However, make an exercise routine and do it every day, asking someone to time you. See if you can improve your time by the end of the week.
