Patterns and sorting

Threading beads is a good way to make a pattern. Look around your home for things to use as beads.

- Paper beads - Glue together two pieces of different coloured paper. Tear out a triangle shape. Roll the shape around a pencil and stick down the narrow end.
 - A simple paper bead with a long strip of coloured paper. Roll it round a pencil then stick down an end.
 - Pasta beads - pick shapes with holes in the middle and paint different colours
 - Clay/ plasticine beads
 - Buttons
 - Cut up straws
- Can you think of anything else?
Sort the beads into different colours and shapes.

Other Areas

Design

John Lewis are launching a competition to find a superhero teddy bear, and need your help designing it.

Design Brief: In honour of our incredible carers at the NHS, John Lewis need designs for superhero-themed bears - don't feel like you have to stick to the traditional brown bear - they want to see all kinds of super teddies.

Try and incorporate unique elements through colours, patterns, capes, masks - whatever feels exciting for you, but please avoid using any recognisable icons in your designs, such as the 'NHS' lettering or Superman logos.
