Maths Challenge

This is half of Lee's strawberries

How many strawberries does Lee have?

This is half of Lee's shape.

What could the whole shape look like?

The lolly costs 12p more than the chew. The total cost of the two items is 82p.

How much does the lolly cost?

Answer will be posted on the blog on Tuesday.

Topical Science

I can talk about science stories to develop my understanding of science and the world around me.

Watch and talk about this week's science news update

Draw a picture to show the story you found most interesting and see if your adult can guess which story it is.

Challenge: Think of a question to ask your adult about one of the stories. Make sure you know the answer to see if they are correct and remember questions begin with what, who, how, why, when or where.

Remember to write the date: **1-5-20** and title: **Science News**
