Challenge: Add and subtract 2-digit and 1-digit numbers

<https://www.bbc.co.uk/bitesize/articles/z6vm6v4>

or

Who wants to be a billionaire?

Ask your child to compose their own addition and subtraction questions for a quiz, giving four possible answers for each question (including the correct answer). Encourage them to create questions that can be solved by counting on or back from the first number and to use a variety of language and symbols.

Other Areas

Science

Plants

- Name the newly added flowers
- Catch up with the fair test
- Play Beanstalk height ordering game
- Play Plant word search
- Watch a short video on parts of a plant
