Reading

I hope you are still accessing Oxford Owls to continue your reading. Have you completed your reading flower yet? If you have not done so far, I left everyone a Gruffalo booklet to collect from the school during lunch time as well as some beans to plant.

Extra

I have found this free download which has lots of interesting activities to choose. You don't need to print it but read online and use your jotter or paper at home to complete activities as you wish.

Mathematics

This term we are going to be learning about mapping and coordinates. Watch
<https://www.youtube.com/watch?v=21keh7LS8K8&pbjreload=10>

This video has explained different types of maps. Now watch this video which will explain in more detail about mapping.
<https://www.youtube.com/watch?v=DSnVCV4uGGQ>

Think of yourself as a fly on your ceiling and try to draw a map of a room in your home. Do not worry about graph paper, just draw the map and imagine what the fly can see. Can you add a key for symbols?

Now search for Google Earth and search for Westfield Primary school West Lothian. Can you identify parts of the school? Can you find your house? Can you see the route you take to school?

Challenge!!!

Can you draw the map of your journey to school? Good Luck!

Topic

I hope you are enjoying watching Ms Young's fair test growing her beans. My beans and other plants are enjoying all this lovely sunshine and growing well.

Today we are going to look at Life Cycles.
