

Writing

• To write a letter

Isla has written Miss Young wonderful thank you letter. You can see this on our *Share the Learning Sway*.

I thought it would be a lovely idea if we use our *Share the Learning Sway* to write each to each other.

- You can chose one person to write to or write it to the whole class; e.g. 'Dear P1/2'
- Remember to sign your letter at the bottom, so we know who it is from; e.g. Isla signed her letter 'from Isla'
- You could write something to tell us what you have been doing
- Or maybe write to tell us what you are looking forward to most about going back to school
- You could also draw a picture to go with your letter

Remember: Give it a go, sound out the words

- Start your sentences with a capital letter
- End them with a full stop
- Use finger spaces
- Check the make sense

Remember to take a photo of your letter and email it to the school - wwestfield-ps@westlothian.org.uk
