

### Literacy

This week we are looking at the common words you have been learning over the past 3 weeks. Write your words on a slip of paper and then put them into a bag or hat. Take turns with someone else to pull out a piece of paper and if you read it correctly you win a point. This game could also be played as pass the parcel.

Now have a go at playing this Little Bird spelling game. Primary One start at the beginning and try a few levels you feel comfortable with, P2-Challenge yourself.

### Reading

Sometimes it is just lovely to sit and listen to a story. Make time during the day to get a drink and maybe even a biscuit and listen to one of the many stories on this site.

<https://www.bbc.co.uk/teach/school-radio/audio-stories/zh3t2sg>

Remember to collect your discs to decorate. Make them colourful and I will collect them to varnish to ensure they last.

### Numeracy

Continue practising the interactive games I posted yesterday.

For today's warm up go onto Maths Magician, choose either addition or subtraction sums and see how many questions you can complete within the time.

[https://coolsciencelab.com/math\\_magician\\_addition.html](https://coolsciencelab.com/math_magician_addition.html)

Practise writing numbers 0-9 making sure you are forming the numbers correctly. This little song will help you.

### Topic

Continuing with Life Cycles, today we are looking at the life cycle of a dandelion. Please watch-

[https://www.youtube.com/watch?v=UQ\\_QqtXoyQw](https://www.youtube.com/watch?v=UQ_QqtXoyQw)

And we all like Aunty Mabel Come Outside

<https://www.youtube.com/watch?v=EuqI6x0mf6Q>

I found this picture. Can you draw a dandelion using a yellow crayon or paint and a black pen? Be creative and add lots of detail.
