***You do not need to complete all activities.**

Other Areas

Science

Check our science Sway for an update on the fair test, there are lots of new photos of the plants.

Are they growing how you predicted?

If not can you think why not?

Design

Design brief: Design a plant pot for the garden.

You can use the template provided or draw your own.

Challenge: Make your pot

See if you can paint or draw your design on a plain plant pot.
