

WRITE IT!

Write a set of instructions on how to build the perfect snowman. Think about what you will need and the different steps you need to take.

First Level Home Learning

READ IT!

Spend time reading a book of your choice.
Act out and re-tell your favourite part of the story!

INVESTIGATE IT!

Using different items in the house, measure the depth of the snow each day. If it doesn't snow, put out an item that will collect the rain and measure how much has fallen each day.

DRAW IT!

Create a detailed drawing of a snow globe showing a winter scene.

Winter Ready Learning Tasks

Only complete these activities when the school is closed due to bad weather.

MAKE IT!

Build a snow animal. Draw a picture of it or take a photo to bring in to school. If it doesn't snow you can make a model or a picture of an animal who loves the snow!

PLAY IT!

Go to

<https://www.topmarks.co.uk>

and play some games. Have a look for some maths, literacy or even winter games!

SPELL IT!

Ask someone to test you on any 20 spelling words from your Share it! Jotter. Check your spelling and fix any mistakes. Then write out the words again using pyramid writing.

RESEARCH IT!

Use the internet or books to find a winter or festive song. Research and learn the words to your song and perform it to a friend or family member.
