

LIST IT!

Imagine you are going to invite the teachers round for dinner. Make a list of all that you would need. This can be a pictorial list – drawing pictures, cut out from magazines and using what you know to write the list.

PAIR IT!

Find some socks in your house and pair them up and fold them to keep them together. Are there other ways of doing this? Discover the best way for yourself.

Videos can be found online.

Extra challenge- Try counting in 2s.

CREATE IT!

Imagine you have seen a 'rainbowosaurus'. What could this be? Draw what it looks like and describe it. P1s can have a go at writing a bit about it too. If there is snow you could build it outside.

Early Level Home Learning

Winter Ready Learning Tasks. Here are some suggested activities to try out and have fun with. Only complete these activities when the school is closed due to bad weather. You can choose how many activities you wish to do.

CHAIN IT!

Make a paper chain with your family to decorate your house
Have a go at writing some seasonal words on the chains.

SOUND HUNT IT!

Go round the house and see what items you can list starting with a. For primary 1s, you can have a go at writing what you see.

SHAPE IT!

Try and make some 2D shapes and 3D objects in the snow if there is some. If not you could use some soapy bubbles on a plate.
