

Literacy

'I can understand and use a range of questions appropriately' an assessment we often carry out in nursery.

Ask your parents/carers a range of questions all about the story Goldilocks, can they answer them all? Now let them ask you some questions, your nursery ladies know who will be the best at this 😊

P.E

Your nursery ladies all took part in today's Joe Wicks workout. Can you complete it?

https://www.youtube.com/watch?v=6v-a_dpwhro

Health and Wellbeing

Discuss and consolidate our understanding of a range of 'feelings'.

Discuss the various feelings Goldilocks and the Bears would have been experiencing during the story.

How do you think the bears felt when Goldilocks went into their house? Was this a safe thing to do?

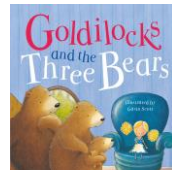

Health and wellbeing

We identified during discussions at nursery that porridge is healthy.

One of your tasks for today is to help make a lovely healthy lunch for you and your family to enjoy together.

Please send all your photos from today's learning to us on the Remind app by 3pm. We will upload them onto our blog later to showcase all your amazing work.

Our learning challenge today is.....

Numeracy

Can you collect and count 10 items from around your home and line them up on the floor?

Count them from 0-10 while touching each object.

Recite them backwards from 10-0.

Numeracy

A poem about 5 little bears. Supporting us to understand that numbers represent quantities.

Children are connecting with each other by painting colourful rainbows and putting them in their windows for others to see.

It's thought the rainbow trend started in Italy, but has rapidly caught on in other countries including the US, Canada, Spain and now in the UK.

Create a rainbow picture using your choice of resources to display in your window so that children can go rainbow spotting whilst in their gardens or out on safe walks with their families.

Literacy

We love tapping out syllables at nursery.

Let's show our adults how good we are at it. Clap out the words... Goldilocks, Bears, porridge, beds, bowls, chairs, house etc.
