

### Literacy

We're going on a bear hunt.....

Get an adult to click the link and listen to this story together. It's one of our nursery favourites. Enjoy!

<https://youtu.be/Waoa3iG3bZ4>

### Health and wellbeing

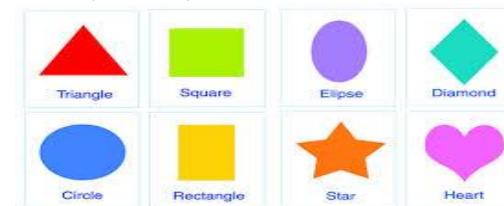

Get ready to out on a walk just like the children in the story.

Can you get yourself dressed today?  
Don't forget the socks! They are a bit tricky!

### Numeracy

The Bear in this story lives in a cave. Can you use these simple shapes to make the bears home?

### Nature art

We love using different materials to create pictures indoors and outdoors. Can you collect different objects from your garden to create a picture? You could use, sticks, leaves, pine cones, stones or anything else you can find.

While searching for the bear the children come across lots of different obstacles. Can you find things around your house which have different textures? What different materials are things made from?

Is it smooth, soft, hard, rough, spikey, sticky?

### Health and Wellbeing

We love doing yoga at nursery and this one is perfect!

Get your adults to join in too!

<https://www.youtube.com/watch?v=KAT5NiWHFIU>

### Numeracy

Put teddy...on, front, behind, under, beside, in ...

Find a teddy and a chair/box and see if you can follow these instructions from an adult. Challenge yourself by doing it quicker!

### Literacy

"We're all in this together"

The nursery ladies love when you draw pictures for us. Maybe you could spread some joy by drawing a picture for an elderly neighbour or relative to make them smile. Post it through their door when out a walk.
