<p>We are learning to keep a steady beat. Find the video on youtube</p> <p>B-U-N-N-Y Easter Bunny Song for Kids Bunny Song The Kiboomers</p> <p>https://www.youtube.com/watch?v=nZLIiq7B85g</p> <p>Collect some objects in your house to tap out the beat, eg pots and wooden spoons.</p> <p>Extension- Rhythm Lesson online https://www.youtube.com/watch?v=KUtEg8Qxuxk</p> <p>*Charanga – Use your password to log onto Charanga and work your way through the Yumu package.</p>	<p>Practise some square breathing. Breathe in and out as you draw an imaginary square. See pic below. Some of us have done this in class before and then imagined the square is a picture frame. Then when feeling calm can imagine things in frame. This is a relaxation technique.</p>  <p>• See Mrs Howard’s PE grid.</p>	<ul style="list-style-type: none"> • Listen to head, shoulders, knees and toes in French: https://www.youtube.com/watch?v=7YEEZAwUfaeE • Practice song and dance • Play Simon says ‘Simon dit...’ in French to point to different parts of your body.
RME	Topic – Human Body.	

★ Please choose a few activities to complete each week with your child.

We are learning about Easter and symbols.

Do some research on Easter symbols , have a look on this web site if you are able to

https://www.kidsgen.com/events/easter/easter_symbols.htm

Make a palm craft and discuss the story about palm

leaves.

One of the children's questions were about feet.

Can you measure the sizes of feet of the people in your household. What could you use to measure them if you don't have a ruler or tape measure.

Investigate peoples jobs that might look after feet. Write down some information that you have found.

If you have paint you could try painting on the soles of your feet. See pic to see how you could make this into flip flops!

Watch BBC Science video, there are also some other follow up activities on this web page.
