

## Literacy

We are always asking you at nursery to re-tell a familiar story. How about you show your adults how great you are at this. Maybe you could use some of your toys or teddies as props to support you to re-tell the story in sequence. Choose your favourite to begin with and then move onto others. Your adults will enjoy this chill time and be super impressed.

We thought this would be a lovely idea to make someone smile today.

Can you make a hug?

*'So although it may be quite a sight,  
wrap my arms around you tight!*

*Repeat daily to keep your smile bright,  
until we get to reunite!*

## Health and Wellbeing

Today's yoga is an Easter edition.

<https://www.youtube.com/watch?v=MEp9euhuu2E>

## Numeracy

Let's continue to develop our knowledge in the language of measure and positional language.

Can you make a small, medium and large Easter egg using some paper and pencils? Do you know which one is which?

Choose your favourite one. Can you put in 'On' 'under' 'beside' 'behind' and 'in front' of something in your home? Tell your adults where it is, expressing your understanding of positional language.

# Happy Easter!

At Easter time we like to roll our decorated eggs.

Can you find a selection of items in your home that 'roll'? Discuss their shape. Are they 2D or 3D? Do they have flat sides, corners or edges?

## Health and Wellbeing

Can you make you and your family a healthy snack today? Check out the bunny face on the link below.

## SPRING SCAVENGER HUNT

- 🐞 Find a yellow flower.
- 🐞 Find 3 different shaped leaves.
- 🐞 Find something that is red.
- 🐞 Find a spider web.
- 🐞 Find something that flies.
- 🐞 Name 2 things you see in the sky.
- 🐞 Find something that is long.
- 🐞 Find something that grows that is green.
- 🐞 Find 2 birds.
- 🐞 Find some water.
- 🐞 Find something purple.
- 🐞 Find something that crawls.

## Literacy

Here are some Easter songs and rhymes, some of these are the ladies' favourites. 😊
