How To Make Pancakes

To make pancakes you need these ingredients:

1 cup of flour
1 cup of milk
1 egg
a little butter.

And this equipment:

mixing bowl
measuring jug
sifter
whisk
frypan
spatula

What to do:

First, sift the flour into the mixing bowl.

Add the egg. Crack it carefully!

Add the milk.

Now whisk the ingredients together. Keep whisking until the mixture looks creamy and smooth.

Melt the butter in the pan and pour in a little mixture. It will spread into a circle.

Let the pancake cook until you see bubbles then flip it over to cook the other side.

Now you are ready to cook another pancake. Keep going until you have a stack!

You can serve pancakes with fruit, cream, icecream and maple syrup... yum... enjoy!
